ELIGIBILITY:

Law Enforcement: Open to any eligible law enforcement member as outlined in Police Pistol Combat Rule Section 2.4. These include active and retired Law Enforcement Officers, and full time Police Firearms Instructors, Transit Police, Penal Institution Guards, Industrial Police which includes Bank Guards and Armored and Express Company Guards, and Military Police. Federal Flight Deck Officers who hold valid certifications are also eligible.

NRA Membership is not required for any NRA competitions but is encouraged. A special law enforcement discount form for NRA Membership and Renewal will be available at check in for law enforcement members.

Civilians: Any non-commissioned NRA member over the age of 18 is eligible to compete in this class provided he/she can do so safely under the same conditions as the classified police competitors. **U.S. competitors must be sponsored by a CLASSIFIED PPC COMPETITOR.** The Tournament Director reserves the right to disqualify any civilian competitor if he/she feels this competitor cannot safely compete under the same conditions as the classified police competitors. The civilian competitors will compete against each other for awards if there is a sufficient number in this group. This group will be squadded separately from the classified police competitors. The scores fired will not be reported to the NRA and no NRA Police Pistol Combat Classification Cards will be issued as a result of these scores fired.

CLASSIFICATIONS: Competitors will be entered using their current NRA Police Pistol Combat Classification of High Master, Master, Expert, Sharpshooter, Marksman, or Classified. Competitors with expired Classifications, new shooters with no Classification, or those without a Temporary Record Score Book will be registered in the High Master Class as required by PPC Rule 19.2. Competitors may check their current NRA Classification at lecompetitions.nra.org.

SQUADDING: All individual matches and team matches will be squadded by the STAT OFFICE.

TEAM MATCHES: The Team Matches in the New Mexico State Championship (Wednesday) and the Charlie Pirtle Regional (Friday) must be fired with Semi-Automatic Pistols. The Team Matches in the Colorado State Championship (Thursday) and the Charlie Pirtle Regional (Saturday) must be fired with Revolvers. All team scores will be eligible for National Records.

Team Matches in Tournaments will consist of two or four firing members per NRA Rule 2.7 and a Team Captain. The Team Captain may be a competing member of the team. Teams will be Classified per NRA Police Pistol Combat Rule 19.16. NRA Police Pistol Combat Rule 2.8 requires that all team members must be from the same agency. Membership can include officers retired from the agency if they are not now employed by another eligible agency. Eligible Military competitors who are also regular full time law enforcement, industrial law enforcement, or reserve/auxiliary law enforcement must sign up with other members from their law enforcement agency. No “pick-up” teams are allowed.

A competitor may fire on both a 2-person and a 4-person team but cannot fire on two different 4-person teams or 2-person teams. An agency may enter as many 2-person teams as it wishes, however, each 2-person team may fire only once.

For Awards Purposes, Teams will be categorized into two groups--group A consisting of High Master and Master teams and group B consisting of Expert, Sharpshooter, Marksman, and Classified Teams in the New Mexico and Colorado State Championships.

SCHEDULE OF AWARDS

Guns, Merchandise or Cash Awards will be presented to the OVERALL AGGREGATE winner in each Classification. To be eligible for this award, a competitor must fire in the Open Class Matches of all four Tournaments, the Stock Service Semi-Automatic Match, the Undercover Match, the Stock Service Revolver Match and both Distinguished Matches. The total aggregate for all the matches will determine the winner. Competitors will be Classified based on their combined NRA Classifications.

Competitors in the USBP BB gun match will be broken down into age groups again as last year and all of the kids will go home with great awards.

If this cannot be avoided due to the Relay's makeup contact a Tournament Official to score the targets. PPC Rules prohibit the use of plug-type scoring gauges. Overlays and Eagle Eyes may be used by competitors.

Competitors will inspect their own targets after scoring, check their score card for correctness and sign their score card to indicate acceptance of the score.

Score cards must be signed and are FINAL once signed so **PLEASE** double check the recorded hits and values BEFORE signing. Accepted score cards will be checked by the Statistical Office and posted on the Match Results Bulletin Board. Competitors must sign their scorecards or risk not having scores accepted.
