The NRA Law Enforcement Division Tactical Police Competition program is designed for public and private sworn law enforcement officers and U.S. Military members. Each TPC event incorporates 6 unique multi-gun training courses of fire to allow you to practice and evaluate your skills using your duty firearms and gear. This training places you in skill based and law enforcement live fire scenarios and requires you to solve the challenges presented according to your own tactics and training.

Just bring your duty guns, gear, ammunition, and a desire to learn and have fun.

Shoot-with-a-Cop Program: Law Enforcement & Military shooters can sponsor a civilian to join them to shoot this event so they can experience what today's law enforcement officers face on the street. Family & spectators are welcome!

Awards: Division & LE Category Trophies with a Guns & Gear Prize Table for LE & MIL Shooters.

Cost: Register with Payment by November, 11th = \$55 ❖ After November, 11th = \$75

Two Member Team Challenge: \$20 Both shooters **MUST** be Law Enforcement or Military AND from the same agency for regular teams. Officers from different agencies or a mix of civilian and LE shooters can sign up as an Invitational Team. Please note that this is NOT a separate match, individual team member scores are added together to get the team score with trophies awarded to the top three teams.

Gear You Need: Eyes & Ears, Duty Handgun, Rifle & Shotgun gear. Equipment, firearm requirements, and rules are in the TPC Standards posted at lecompetitions.nra.org.
